

Terms and Conditions of Logo Use by Partners

Partners in good standing in the Dell PartnerDirect Program (each a "Licensee") shall be granted a limited, non-transferable, non-exclusive, and revocable license to use either the Dell "Registered" or Dell "Certified" Partner logo ("Logo"), subject to the following rules, terms, and conditions:

Registered Partners:

A Licensee that is a Registered Partner Licensee may use the Dell PartnerDirect "Registered Partner" logo on its business cards, stationery (including e-mail signatures), and its website.

Certified Partners:

In accordance with the terms and conditions set forth below, a Licensee that is a Certified Partner may use the Dell PartnerDirect "Certified Partner" logo on its business cards, stationery (including e-mail signatures), and website, and may also use that Logo in connection with certain marketing activities that are directly related to the business activities for which the partner has been certified.

The Certified Partner logo will be made available for download to Certified Partners via e-mail. Please contact your Account Executive for electronic delivery.

The download and use of the Logo is conditioned upon the following:

1. Licensee may not use a logo obtained from any source other than Dell, and shall not modify or alter the Logo in any way.
2. Licensee shall not use the Logo in connection with any activity that is unlawful, libelous, defamatory, obscene, disparages Dell or Dell's products or services, or that in any way infringes the intellectual property or other rights of any person or entity.
3. Licensee shall not use the Logo in any manner that is likely to create the impression that Licensee is a legal partner, affiliate, or franchisee of Dell, or is otherwise related to Dell. Licensee will clearly and prominently identify itself in its offers, advertising, marketing, and promotional materials.
4. Licensee agrees to use the Logo only in connection with the business registered in or certified by the Dell PartnerDirect program and the marketing of Dell products or services. Licensee shall not use or display the Logo on its invoices, bills, or shipping memos.
5. Licensee acknowledges that Dell owns all rights in the Logo, and agrees that it will not contest the validity of Dell's rights, either during or after the license term. Licensee will indemnify and hold Dell harmless against any claims, actions, or demands relating to its business activities or the use of the Logo in connection with such activities or otherwise.
6. Dell may immediately terminate Licensee's right to use the Logo for violation of any of these terms and conditions, or any terms and conditions governing Licensee's participation in the PartnerDirect program or provision of Dell products or services, or for

any other reason that Dell deems appropriate. Upon such termination, Licensee shall immediately cease use of the Logo or any similar mark, name, or logo, including any name or mark containing the term "Dell."

7. Licensee agrees not to use any Dell logo, trademark, or intellectual property other than the specified Partner logo that corresponds to Licensee's level of participation in the PartnerDirect program (i.e., "Registered Partner" or "Certified Partner").
8. Dell grants Licensee no other rights except those set forth expressly herein.
9. Licensee recognizes and acknowledges that its breach of these terms and conditions will cause Dell irreparable harm for which monetary damages will be inadequate.
10. Licensee agrees that Dell shall be entitled to an injunction to restrain Licensee from such breach or threatened breach. Nothing in this section shall be construed as preventing Dell from pursuing any remedy at law or in equity for any breach or threatened breach of these terms and conditions.
